

19621

Item Number 9882476

This instrument compensates the atmospheric pressure, therefore the effective vacuum reached is always measured.

Absolute vacuum gauge, diameter 100 mm, connection 1/2" G, incl. transition piece 1/2" G x 1/4" SAE, scale: 150 to 0 mbar

- With safety membrane
- Class 1.6
- Swiss Made

Technical Data

Colour	bare green (RAL 6026)
Accuracy Class	1.6
Gas Connection	1/2" G 1/4" SAE
Connection Point	Bottom
Mounting Ring	No Mounting Ring
Oil-filled	No
Pressure Scale	mbar
Pressure Range	150 - 0 mbar
Nominal Size	100
Pressure Type	Absolute Pressure
Packaging	Blister

Accessories

4687098	19803/2	Adapter 1/2"G x 1/4"SAE with gasket, 2 pieces
