ANLI

SERIAL NUMBER	
----------------------	--

CE DECLARATION OF CONFORMITY

We, the undersigned, hereby declare under our own responsibility that the assembly in question, defined as follows:

NAME ANLI 020H - 070H
TYPE WATER/AIR chiller, heat pump
MODEL

To which this declaration refers, complies with the following harmonised standards:

- | | |
|--|---|
| CEI EN 60335-2-40 | Safety standard regarding electrical heat pumps, air conditioners and dehumidifiers |
| CEI EN 61000-6-1
CEI EN 61000-6-3 | Immunity and electromagnetic emission for class B residential environment for ANLI 020H, class A for ANLI 070H |
| CEI EN 61000-6-2
CEI EN 61000-6-4 | Immunity and electromagnetic emissions for industrial environments |
| CEI EN 61000-3-2 (ANLI 020H) | Limits for the emission of harmonic currents |
| CEI EN 61000-3-11 | Limitation of voltage variations, the voltage fluctuations and the flicker in public low voltage power supply systems |
| CEI EN 61000-3-12 (ANLI 070H) | Limits for the emission of harmonic currents |

Therefore complying with the essential requirements of the following directives:

- LVD Directive: 2006/95/CE
- Directive for electromagnetic compatibility 2004/108/CE
